

TAUNTON RIVER WATERSHED ALLIANCE

A VOICE FOR THE RIVER SINCE 1988

Angler Education Day

Being a sponsor for this event gives your company the opportunity for exposure to people interested in the sport of fishing and other outdoor activities. The Taunton River Watershed Alliance (TRWA) co-hosts the Annual Angler Education Day with the Massachusetts Division of Fisheries and Wildlife. Fishing equipment and instruction are provided for novices of all ages.

During the course of the event:

- Attendees learn about the biodiversity of the watershed
- Students from Bristol Aggie attend with several common and endangered animals for visitors to meet
- TRWA volunteers sein close to shore and bring in its small creatures for observation and identification
- Both adults and children delight when they touch a snake for the first time
