Taunton River Tide Calendar

The inspiration behind the Taunton River Tide Calendar came from a sister watershed organization and a desire to show people in the Taunton River watershed communities what a treasure they have flowing by their doorsteps. Every year, we sponsor a digital photography contest. The winners are displayed in a calendar that lists the daily Taunton River tides. Not only is it a great resource for boaters and sports enthusiasts, but its become a much anticipated calendar to display at home or at work for many area nature enthusiasts.

Key points include:

- The calendar provides tidal data to boaters and sportsmen & sportswomen
- Photographs showcase the natural beauty of the watershed, the wildlife species that live in it, agricultural and cultural resources and recreational opportunities
- The calendar is an educational tool to introduce ideas of conservation to area residents
- The photography contest's accessibility invites everyday people to interact and enjoy the watershed. It fosters a community of environmentally minded photographers.
